Dear Suzanne:

Please consider this a sincere and firm endorsement and letter of recommendation for Chris Compton and TCR Solutions. We have outsourced through TCR Solutions for the past 5 years to provide our technical and computer support. They are responsive, punctual and thoroughly accountable. We respect their competence and have enjoyed working with them from designing our network to monthly upkeep as well as the inevitable emergencies which pop up. In all areas we give them high marks.

In order to be thorough the following is a list of services that TCR provides:

1. Monthly technical updates and maintenance for employee computers and company server.
2. Server backup and technical setup.
3. Software installation and maintenance.
4. Computer repairs.
5. Technical expertise and advice.

If you have any questions or concerns, please feel free to contact me or Pathways Financial Partners at 299-5875.

Sincerely,

Brian Murphy  
President
